

Regular Giving

Compton
Hospice
Caring Together

Ongoing care thanks to your ongoing support!

By giving a small amount of money on a regular basis, you can help Compton Hospice plan for the future, as well as keep administration costs to a minimum.

What your regular gift could provide:

- £5 per month will help our duty nurse to take enquiry and crisis calls from our patients or their carers
- £10 per month will help our patients receive a home support visit by one of our clinical nurse specialists
- £15 per month will help give our patients and their families the extra care they need to stay at home during the last few days of life

If you can help us by making a regular gift in this way, or if you are already a regular giver and would like to increase your gift, please complete and return the form overleaf...
